Stuff To Know

ALL THE FOLLOWING ARE AVAILABLE IN B-010

- *I am available to co-plan, co-teach, and work out just about any other method for the integration of technology in your classroom. I am a good resource for ideas and inspiration when you find yourself in a bind trying to find an activity that will make the most appropriate connection with a lesson.*
- *Schedule a time to get trained for the use of the laptop carts.*

No training = No laptop cart use.

- *The Springfield Public Schools has a district license for...*

GradeKeeper

Please stop by B155 for details

- *E-mail and MassOne accounts are a necessary part of what we do these days. If you don't have either one, please stop by B155 and sign up for them.*
- *If you're planning on the use of lap top carts, please reserve one as early as you can. Also, please be considerate of the needs of your colleagues when planning the length of time you'll need the cart you'll be using.*
